## Tools and Resources

Helping you manage employment practices risks

Making it easier to run your business

The workplace is a minefield of risks for employers. The number of employee accusations, as well as the charges employers face, has grown dramatically in recent years. That's why it's important you have Employment-Related Practices Liability Coverage (ERPL).

Putting practices in place to prevent employment-related claims is essential as well, which is why Acuity offers you [EmployerProtection.net](https://www.employerprotection.net). An online resource designed to help enhance your employment-related practices and reduce your employment-related practices liability exposure, [EmployerProtection.net](https://www.employerprotection.net) includes many tools for you to use.

# EmployerProtection.net Tools

- Model employee handbook
- Employment best practices checklists
- Library of employment-related articles
- Sexual harassment policies
- Workplace rules and prohibitions:
  - Preventing sexual harassment
  - Preventing discrimination
  - Preventing wrongful termination
  - Promoting ethical behavior
- Employment-at-will policies and notices
- Progressive discipline procedures
- Workplace rules and prohibitions
- Employment application
- Performance review

## Resources when you need them

EmployerProtection.net connects you with comprehensive, current content. Material is updated regularly to include new legal requirements, best practices and other topical information.

Both Employment-Related Practices Liability Coverage and EmployerProtection.net should be part of your risk management plan.

## To access EmployerProtection.net

1. Log into acuity.com
