

# Papa Is My Hero!

By Hayden Olivia Pfeifer

You have absolutely *no* idea what my Papa's like!

## Papa Is A Good Trucker!

Papa is always working hard for us. Even when he is tired, he puts up with it and keeps working. He continuously drives and fixes trucks all day. Papa is always working when he is hot or cold. He works many, *many* hours each day. He knows how to fix trucks.

## Papa Is A Good Papa!

Papa loves all of his grandkids, (including ME!). He works hard for his wife, his boys... EVERYONE. Papa is also patient. He does good deeds. He works hard for us all, and he teaches us to be hard workers! He is *so* amazing!

## Papa Does Much For Everyone!

Papa works hard to earn money and to be a good person. He does so many good things for us all. He doesn't retort to anyone, and he is patient and means well.

My Papa is my hero because he is a trucker. He inspires me to be a hard worker. He inspires me to be me. He is my hero because he works hard and never gives up.
