Helping you manage employment practices risks

Making it easier to run your business

The workplace is a minefield of risks for employers. The number of employee accusations, as well as the charges employers face, has grown dramatically in recent years. That's why it's important you have Employment Practices Liability Insurance (EPLI).

Putting practices in place to prevent employment-related claims is essential as well, which is why Acuity offers you [EmployerProtection.net](https://www.employerprotection.net). An online resource designed to help enhance your employment practices and reduce your employment practices liability exposure, EmployerProtection.net includes many tools for you to use.
