

METALWORKING INSURANCE

Whether you are stamping, fabricating, or milling metal—Acuity has you covered. We understand the opportunities and issues that keep you up at night in your metalworking business. We provide protection for your buildings, tools, equipment, employees, vehicles, and so much more. Best of all is the support to keep your business operating in the event of an unfortunate accident.

“Acuity cares about us as a business. They are in tune with the manufacturing industry and provide us constructive safety tips that we can implement to ensure we provide the safest workplace possible.”

—Jan, Customer
