

OSHA 10-Hour Training

Program for Acuity Insurance Customers

Acuity cares about you and your employees. That's why we offer OSHA 10-Hour training courses, in both construction and general industry, at no cost!

- ❏ This program provides training for you and your employees on how to prevent, recognize, and control safety and health hazards.
- ❏ Choose elective courses to tailor the training to your exact job needs.
- ❏ Training is typically scheduled for a day and a half.
- ❏ In the construction industry, some general contractors require this OSHA recognized training for subcontractors.
- ❏ If you have 15 or more people to train, we will provide the instructor and content at no cost!
