

OSHA CONSTRUCTION 10-HOUR TRAINING

Acuity offers OSHA training at NO COST!

- Education is conducted by an OSHA authorized instructor.
- Training is recognized by OSHA.
- Class spans 1.5 days for Acuity insureds at a location of your choice.
- Training can also be held at an individual insured's location.
- All reference books for the class are provided by Acuity.
- Minimum of 15, and maximum of 40 attendees.
- Topics in the Required section below must be taught during the seminar.
- Elective and Optional topics allow for a customized educational experience.
- Continuing Education Units (CEUs) are not provided directly by the class.
